Ancestors in Faith

Summer Worship Theme

Meeting our Ancestors in Faith, one Story at a Time.

The Bible can be a barrier for a lot of people of faith. It's large, intimidating, and can be confusing! Many people are wary to read these texts, carry bruises from their upbringing, or simply don't have enough information for the stories to make sense. This summer, we invite you to spend time reclaiming the "good" in the Good Book learning and relearning how ancient stories relate to our stories here and now.

Thank you for all the prayers, good wishes, and cards I received.

They were greatly appreciated during this difficult time.
