November 10 ~ Looking Forward ~ What are similar size churches doing? Models for ministry. Introduction of potential options for consideration. Congregation discernment and response.

We want to reassure you that there are no hidden agendas. We will discover our next steps together. What is vital to this process is your participation and prayers. The congregational meetings begin immediately after worship and these meetings will be recorded for your convenience. Questions can be directed to Pastor and Council members

The recording for the previous meetings are available on St. Tim's webpage, Facebook or [click here](#). If you would like to review the slides from the October 13 presentation, [click here](#).
